### HILLS INDIVIDUAL PLAYER SUPPORTER

Dear player, as the new season is about to commence this is the ideal opportunity to once again launch the popular player sponsorship scheme. The committee have decided to stay with the arrangement used last season whereby the player receives a significant portion of the monies they raise to either purchase club kit or to put towards their match fees. For example if you get yourself player support0 of £50.00 or £100.00, you will either get £30.00 or £60.00 worth to spend on new Hills kit.
